

Houston Open BIRDIES FOR CHARITY®

What is Birdies for Charity®?

Birdies for Charity® is a fundraising program designed to give local charities the opportunity to generate contributions through the Houston Open. 100% of your donation goes directly to the charity of your choice. The Houston Open will also award the top three donation-collecting charities and one randomly drawn charity with an additional bonus. In 2019, the Houston Open distributed \$615,000 to local nonprofits.

How can I participate in Birdies for Charity®?

There are two ways to donate to the Birdies for Charity program:

1. Make a pledge of one cent or more for every “Birdie” made by the PGA Tour Pros during the Houston Open. If 1,500 birdies are made during the 2020 event, here are the totals for some typical pledge amounts:
 - 1 cent pledge = \$15 total pledge
 - 3 cent pledge = \$45 total pledge
 - 10 cent pledge = \$150 total pledge
 - \$1.00 pledge = \$1,500 total pledge

The minimum birdie pledge is \$.01 and the maximum pledge is \$1.00. The last day to submit a pledge is Sunday, November 8, 2020. Last year, 1,244 birdies were made at the Houston Open. FYI we are playing at a new course this year.

OR

2. Make a flat donation not tied to birdies. For flat donations, the minimum is \$20.

Grand Prize

You are eligible to enter our “Guess the Birdie” contest when you donate or make a pledge to one of our local charities. Guess the total number of birdies that will be made by PGA Tour Pros during the Houston Open, Nov. 2-8, 2020. One grand prize will be given to the person who guesses the correct number. In case of ties, winners will be randomly selected. One lucky supporter of the Houston Open Birdies for Charity® program will win an Astros *Suite Night at Minute Maid Park. *Suite night 2021 date will be determined by the Astros organization and sent to the winner once determined.
